## Relieving poverty, starvation and disease.

Mission World Aid continues to focus on supporting self-sustainable community development in collaboration with partner organisations, particularly by continuing the partnership agreement with Rick Rupp managing Clean Water 4 Life in the Solomon Islands.

The partnership continues to be fruitful as the CW4L drilling teams build their expertise and multiply their impact on village life in many hundreds of communities in the Solomon Islands.

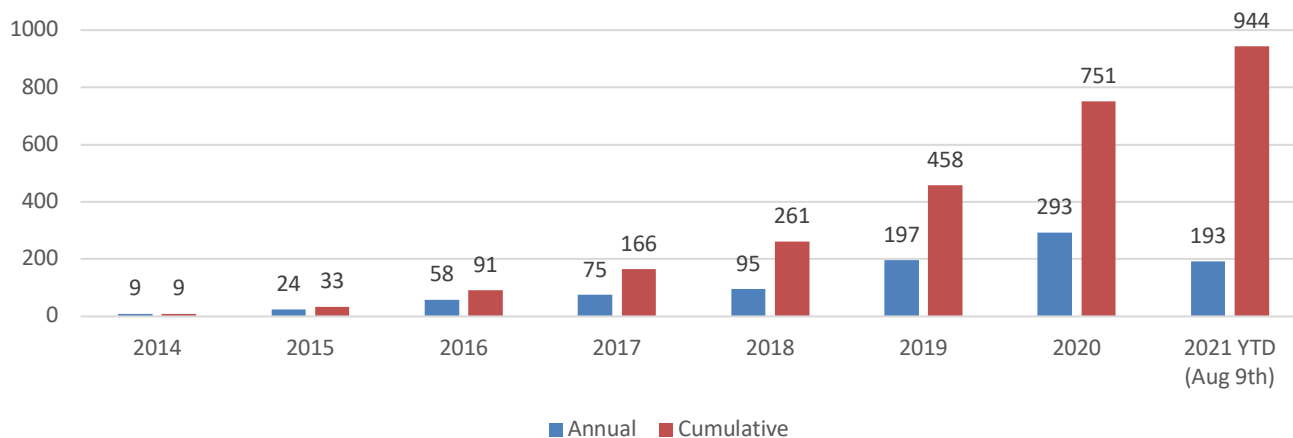

In 2020/2021 CW4L continued with the high pace of installation of wells, as funding from Australia, Canada, the USA and Taiwan has supported three and sometimes four drilling teams operating concurrently.

Purchase of two new LS100 drills that can be carried onto site and do not need the tractor power unit has enabled CW4L to reach even more remote locations in need of clean water. A third LS100 portable drill machine will arrive in September 2021 which includes stronger bar pipe, clutch, and motor which is needed for drilling through strong coral and stony soil.

At time of writing a total 944 wells have provided villages, schools, churches and hospitals access to reliable clean water for the first time ever, helping to transform life for at least 220,000 people, which is **~33% of the total population of the Solomon Islands!**

### CW4L completed wells by calendar year

Aas at August 9th 2021

CW4L's five-year plan through 2024 is to reach all parts of the Solomon Islands, completing a total of about 1,300 wells and ensuring 90% of the population in need of clean water get it.

*Matthew 25:35: For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me... What you did for one of the least of these brothers of mine, you did for me.*

The resulting improvements in health, safety (especially of girl and young women) and convenience set a foundation for education, and many communities are encouraged to make further improvements to their village. For many villages, the connection through CW4L is a catalytic encouragement that raises hope.

In the process each community contributes to the work, and the local drilling teams gain more and more experience and expertise not just in well installation, but in community development and overcoming obstacles to reaching and serving these remote communities.

Donations through MWA supported the completion of 25 wells in 2020-2021, out of a total over 200 during that time. 127 MWA funded wells since 2016 have averaged 240 people impacted per well, reaching over 30,000 people, including over 7,700 children in 23 schools.

MWA sponsored wells completed in 2020/2021 (pictured below) were located in:

Wells funded by MWA since 2016 have been provided on Guadalcanal, Malaita and the far-flung islands of New Georgia and San Christobel. CW4L has reached other islands as well. Rick Rupp reports on each well, and the cumulative impact of this work is truly historic. We are blessed to be in support of what God is doing in the Solomon Islands!

The average cost per capita to bring sustainable clean water access to a typical village of 235 people is about AUD \$15 per person. Many wells can serve each community for decades, depending on maintenance and repair, making the real average cost of clean and safe water supply less than \$2 per person per year.

## MWA Board

The alignment of the MWA and AHOPFAN, Inc boards continues, and there were no changes to the Board in 2020-2021.

## Operations

Mission World Aid continues to be staffed, run and governed by dedicated volunteers.

## Mission Shop

Thanks to Ruth Magarey co-ordinating, and to our amazing volunteers running the Mission Shop located in Aldgate Shopping Centre. We are blessed in South Australia to have been able to continue trading almost throughout this year, and sales revenue increased 35% as the shop has continued doing a great job serving the local community through provision of affordable items. The shop surplus enables donations to be made that greatly assist our partner organisations, as well as supporting a Compassion child in Ghana.

MWA founder, Jenny Hagger regularly calls in to support. This year we said farewell to several longstanding and highly valued volunteer supporters whom we miss:

- Rosalie Krieg resigned September 2020 as she moved to Kadina to live,
- Susan Denis retired December 2020 having served tirelessly in the shop since 2007, and Rod Denis too, who always checked on the shop on weekends on his daily walks.
- Helen Conoly resigned in March 2021 when she moved to Strathalbyn.

We thank them all for serving the local community and for their role in reducing poverty, starvation and disease amongst people around the world. Board member Andrew Lothian joined the shop team in 2020, and Ruth Stephenson-Ward and Amanda Rankin joined us in January 2021. The shop is very well kept, the team all work well together, and we praise God for them:

- Jill Clark
- Dennis Dal-bello
- Peter and Judy Jansen
- Glenda Smith
- Ruth Stephenson-Ward
- Andrew Lothian
- Mary Minagall
- Amanda Rankin
- Lynn Thompson

## Financial Administrator

Trevor Radbone, and MWA board member, is very ably and invaluable continuing the role of Financial Administrator for MWA. Trevor has also taken administration and financial responsibility in Australia for the India Inland Mission, with whom MWA has longstanding connections.

## Donations made by Mission World Aid.

In total donations made by MWA in 2020-21 were \$90,592. Mission World Aid gave donations from proceeds of the Mission Shop to worthy and trusted organisations known to work to high standards of probity and effectiveness. During the year MWA responded to the heightened

needs expressed by partners administering aid in Africa during floods in Congo and Covid related hardships in Uganda, Mozambique and India, and in Lebanon following the devastating harbour explosion. Partner organisations supported this year were:

- Clean Water 4 Life – Rick Rupp
- Clean Water 4 Life – Solomon Islands
- Evangelical Sisters of Mary – Australian Support
- India Inland Mission – Ajai Pillai
- Pioneer Trust - Lebanon Support
- Maforga Mission - Mozambique
- Bible Society – Fiji Support
- Lighthouse International – Julie Love
- Compassion Australia
- MHCDA – Support for Uganda
- Bhutan support
- Uganda support – Pastor David Ssenfuma

Mission World Aid is reliant on the prayers of its volunteers and supporters, including the network of the Australian House of Prayer For All Nations, Inc. Prayer and worship are the engine room for AHOPFAN and MWA to build community and work together to see breakthroughs occur in delivering aid and development. During the past two years, AHOPFAN prayer has increased focus on the South Pacific region, establishing a virtual South Pacific House of Prayer and raising funds for establishing the work.

## Donations to Mission World Aid

Financial donations are essential and enable the aid to be delivered. During 2020-2021 we received donations of \$61,175 enabling MWA to support a number of partner organisations delivering aid, and especially to support the Clean Water 4 Life partnership with Rick Rupp and the Fa'Arau community. We are thankful for the financial support Mission World Aid has received and been able to direct fully towards the objectives of the organisation.

We continue to receive donations of used goods from individuals and organisations for the Mission Shop, some of which is re-directed for humanitarian overseas aid.

## Publicity and Promotions

Mission World Aid promotional activities during 2020-21 focused on communicating progress being made with the Clean Water 4 Life partnership via reports from Rick Rupp. The MWA website was updated, improved and incorporated into the new AHOPFAN website. MWA Annual Reports and many of our policies are now more easily available on our website. MWA now has its own presence on Facebook. Australian House of Prayer for All Nations also helped spread news of progress made by Clean Water 4 Life.

## Networking

In conjunction with Australian House of Prayer for All Nations, MWA made new connections in 2020-2021, including a meeting with heads of South Australian ACFID members. MWA continues membership of the Australian Council For International Development (ACFID) and actively seeks to network with local and overseas aid organisations. Accountability and

## Objects of the Association

The objects of the Association are established on principles outlined in the gospel of Matthew 25:35-36:

*"I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in, I needed clothes and you clothed me, I was sick and you looked after me, I was in prison and you came to visit me".*

- a. To assist, promote and work in co-operation with other organisations for the relief of poverty, starvation and disease amongst peoples of the world;
- b. To secure financial and other assistance for the preparation, packing and sending of goods, medicines and other necessary aid to underprivileged peoples of the world and to any country in the world which needs assistance for the relief of poverty, starvation and disease amongst its people;
- c. To coordinate the distribution of voluntary donations given to or through the association for aid projects in Australia and overseas;
- d. To establish communication links with missionaries, missions and other aid organisations and supporters through whatever means of communication are appropriate.
- e. To encourage Australians of the Christian faith to embark on any project in Australia or overseas which assists the people in that country. For example, such projects may be to assist with education, agriculture, health care, and building and construction projects, but are not limited to those types of projects;
- f. To support and encourage the training of indigenous people with a view to those people contributing their taught skills and expertise to their country's development.
- g. To make available any necessary information that people require to enable the promotion of the above objectives;
- h. To hold meetings at which local and overseas missionaries may speak.

During 2016-2017 the Mission World Aid team was committed to meeting these objectives.

## Financial Report

During 2020-2021 Mission World Aid reported sound financial results. Shop sales improved 35% as South Australia recovered from the earlier pandemic lock-downs and this offset a fall in the level of donations compared to the prior year.

Fortunately, our fixed costs remain very low. The Mission shop continues to provide a valued income stream through the service of dedicated, trustworthy volunteers, as well as continually receiving donations of quality materials for sale.

The following audited financial reports have been prepared in line with the ACFID Code of Conduct and reinforce Mission World Aid's commitment to accountable and transparent financial management.

### Financial Capacity and Viability

As a signatory organisation for the ACFID code of conduct the Board declares that the 2020-2021 financial statements for Mission World Aid Inc:

- Are in accordance with the relevant legislation and accounting standard; and
- Presents fairly the financial position and performance of the organisation.

Furthermore the Board declares that there are reasonable grounds to believe the organisation will be able to pay its debts as when they become due and payable.

## REPORT OF THE INDEPENDENT AUDITOR ON THE SUMMARY FINANCIAL STATEMENTS TO THE MEMBERS OF MISSION WORLD AID INCORPORATED

### Opinion

The summary financial statements, which comprise the summary balance sheet as at 30 June 2021, the summary revenue and expenditure statement and summary statement of changes in equity for the year then ended, and related explanatory information, are derived from the audited financial report of Mission World Aid Incorporated for the year ended 30 June 2021.

In our opinion, the accompanying summary financial statements are consistent, in all material respects, with the audited financial report, on the basis described in Note 1 and the Australian Council for International Development (ACFID) financial reporting requirements.

The summary financial statements do not contain all the disclosures required by the Associations Incorporation Act 1985, Australian Charities and Not-for-profit Commission Act 2012 and Australian Accounting Standards. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial report and the auditor's report thereon.

### The Audited Financial Report and Our Report Thereon

We expressed a qualified audit opinion on the audited financial report in our report dated 1 September 2021.

### Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of the summary financial statements on the basis described in Note 1.

### Auditor's Responsibility
